

## Количественный состав чисел до 5

Цель: Закреплять количественный состав чисел до 5.

### Состав числа 5.

The image shows two houses used for a math activity. The left house has a brown roof with a white circle containing the number 5. It has a 4x5 grid of windows. The first four windows in each row are yellow, and the fifth window in each row is dark green. The right house also has a brown roof with a white circle containing the number 5. It has a 4x2 grid of windows. The left column of windows contains the numbers 4, 3, 2, 1 from top to bottom. The right column of windows contains the numbers 1, 2, 3, 4 from top to bottom. At the bottom of the page, there are illustrations of a pencil sharpener, a pencil, and a piece of paper with the number 5 written on it.
